

NOTICE OF ULC and/or NFPA AUDIT COMPLETION AND AUTHORIZATION TO APPLY VIP STICKER

Issue Date: December 30, 2015

UL's investigation of fire fighting apparatus manufactured at E-ONE Inc. has been completed. This certificate signifies that E-ONE has met the requirements of the Vehicle Inspection Program (VIP) under the indicated ULC VIP-S515 and/or NFPA VIP-1901 audit program criteria and successfully demonstrated compliance with the appropriate clauses of the standards indicated by the 'X'.

X CAN/ULC S515, Standard for Automobile Fire Fighting Apparatus, 2013 Edition.

X NFPA 1901, Standard for Automotive Fire Apparatus, 2009 Edition.

As of the issue date, E-ONE is authorized for certification of fire apparatus manufactured to the indicated standards at the Hamburg NY facility. The VIP Certificate of Inspection is the only method provided by ULC or UL to identify that an apparatus has been inspected under the Vehicle Inspection Program. The Certificate indicates that the fire apparatus complies with the Purchaser's Requirements as specified on the certificate based on the vehicle inspection program. As an extension of the certificate, the apparatus may bear the VIP sticker, which indicates the apparatus was inspected by ULC or UL under the indicated standard.

A handwritten signature in black ink, reading "Thomas Hillenbrand".
