

INDUSTRIAL CUSTOM PUMPER

VERSATILE. DURABLE.

From pumpers to aerials, for more than 20 years E-ONE® has engineered and manufactured industrial apparatus to meet the rigorous demands of the industrial market. With a wide assortment of foam and chemical systems, dual and single deck guns, our industrial commercial pumpers are the most versatile, durable pumpers on the market. Offering both extruded aluminum and stainless steel bodies as well as foam tanks up to 3000 gallons, E-ONE industrial pumpers will meet unique needs while exceeding expectations.

E-ONE.COM

INDUSTRIAL STRENGTH.

At E-ONE, safety is never secondary. Which is why our roll cage cab, CrewGuard and ABS are standard with available options such as airbags and G4 electronic stability control.

→ BUILT TO CONQUER ANY TASK

With a wide assortment of foam and chemical systems, dual and single deck guns, our industrial custom pumpers are the most versatile, durable pumpers on the market.

→ PLENTY OF PUMP OPTIONS

The Industrial Custom Pumper features Side-Mount, Top-Mount or Enclosed pump controls. With a GPM rating of up to 3500 GPM, this pumper is equipped to bring the fight to the fire.

→ DECK GUNS FOR ADDED REINFORCEMENT

With a variety of deck gun brands, quantities and placements available, the Industrial Custom Pumper is sure to give you extra control of the situation.
